Burman University ΣΥΜΦΩΝΙΑ Conference 2022 Call for Papers

On Wednesday, March 16, 2022, the Music and Religious Studies departments of **Burman University**, in partnership with **GlossaHouse** and the **Graphē Institute**, will host the 2nd annual **ΣΥΜΦΩΝΙΑ Conference**. The planning committee for the conference invites proposals for collaborative paper-performances and papers that examine the intersection of biblical interpretation and musical interpretation.

The conference will be virtual again this year, which will allow presenters and attendees from around the world to participate. Presentations will be limited to 20 minutes with 10 minutes for discussion and questions.

- **Collaborative paper-performances** bring together research in biblical exegesis of Greek, Hebrew, or Aramaic Scripture and an original musical arrangement that expresses the structure, syntax, and meaning of the text as described in the exegetical work. Musical arrangements should be recorded and edited prior to the conference and should consist of a high quality audio or video (preferred) recording. The conference prefers musical arrangements of Greek texts to utilize either a koine-era or a modern pronunciation scheme. Please see the attached video introduction of the conference for more details.

- **Scholarly papers** will follow regular standards of oral delivery. A slideshow to go with oral presentations is not required but welcomed.

Proposals of 250 words in length should be submitted to stephenreasor@burmanu.ca or eduardosola@burmanu.ca no later than January 28, 2022.

We look forward to a day of stimulating music and research!

The outdoor ice rink is ready for your use. The lights will be left on each night (Sun-Thurs) till about 11:30 pm. Sunday and Thursday night at about 9:00 pm are scheduled for flooding the rink. If you don't have skates and would like to skate, we have some sizes that are available for check out. Please contact Ron Schafer (403-391-6909). Skating and hockey are two great ways to enjoy the Canadian Winters! Hopefully, you can participate in one or both. Due to COVID restrictions, we are unable to open the heated rink shack at this time. There are outdoor benches to sit on when putting on your skates.
