**Marketing differently In Such a Time as This**

Dr. Robert Opoku  
Marketing Faculty, Donald School of Business, Red Deer College

**OCTOBER 21, 5-6 PM**

Due to the COVID-19 pandemic, small business owners and marketers are faced with an entirely new situation: How should we be talking to our customers? Where should we be spending marketing dollars and where shouldn't we? How are we going to stay in business? In this seminar, we will talk about the playbook and pragmatic solutions small business owners and marketers can use to react to the current crisis and how they can re-invent their current marketing models, approaches, and tools to get ready for the turnaround.

**Innovating Your Way Through Digital Marketing**

Peter DeWit, Owner & Account Manager  
Edge Marketing & Design Inc., Lacombe

**OCTOBER 22, 5-6 PM**

Do you feel overwhelmed by the different tools and platforms that are available to market your business or organization online? You know you have to reach your existing and prospective clients online, but you just don't know where to start. This probably sounds all too familiar for many business owners. But if you are able to manage this part of your business you will be ahead of 98% of your competitors! In this workshop, local entrepreneur and marketing expert Peter DeWit will walk you through the essential Digital Marketing pillars that every business need. We will discuss how you can create a digital marketing system that works 24/7 to attract new customers to your business.

**Leveraging New Marketing Communications**

Mike Szyzka, Founder and CEO  
Reaction Marketing, Red Deer

**OCTOBER 23, 1-2 PM**

2020 has made the world go hyper-digital (overnight!) yet, personal relationships, building trust with your audience, offering a needed product or service, and providing a great customer experience are still the foundation to starting and growing a great business today, just like it was 100 years ago. In this session, we'll cover the key digital strategies that business owners and marketers will need to focus on going into 2021. You'll walk away with some big ideas, new prospective, and actionable steps to start creating new channels that can open your business up to a wider audience than you had ever thought possible.
